**McINTYRE YOUNGBLOOD RECRUITING, L.L.C. EARNS WBENC CERTIFICATION-
Second year in a row!**

NEW ORLEANS, LA/HOUSTON, TX, June 26, 2008 – McIntyre Youngblood Recruiting, L.L.C. earns WBENC certification for the second time. The specialized recruiting firm of McIntyre Youngblood Recruiting, L.L.C. (dba MYRecruiting) was awarded the prestigious certification this month.

The Women's Business Enterprise National Council (WBENC), founded in 1997, is the nation's leading advocate of women-owned businesses as suppliers to America's corporations. It also is the largest third-party certifier of businesses owned and operated by women in the United States.

In efforts to provide the highest level of service to both candidates and clients MYRecruiting feels this certification will provide opportunities to expand and develop their recruiting and staffing services, which in return will provide the best talent for leading companies in Houston and New Orleans.

Lee Youngblood, Partner, was quoted as saying: "Our main reason for completing this certification was to ensure we recruit the highest qualified candidate(s) to better serve our clients in a competitive market."

MYRecruiting services both the legal and accounting professions in the Houston, TX and New Orleans, LA markets. Their client base includes law firms, corporate legal departments, accounting firms, energy, manufacturing and investments companies to list a few. The candidates represented are attorneys, paralegals, CPA's, accountants and accounting staff.
